

**REMARKS**

By the foregoing Amendment, Claim 14 is amended. Entry of the Amendment, and favorable consideration thereof, is earnestly requested. Claims 2, 3, 7, 11 and 12 having been previously cancelled, Claims 1, 4-6, 8-10 and 13-31 are currently pending.

Claims 14-19 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 14 has been amended to obviate this rejection.

Claims 1, 4-6, 8-10 and 13-31 stand provisionally rejected on the ground of obviousness-type double patenting as being unpatentable over the claims of copending Application No. 11/074,091. Applicant submits herewith a Terminal Disclaimer and the appropriate fee associated therewith, which Applicant respectfully submits overcomes this rejection.

For the foregoing reasons, Applicant respectfully submits that all pending claims, namely Claims 1, 4-6, 8-10 and 13-31, are patentable over the references of record, and earnestly solicits allowance of the same. If the Examiner believes that any further issues are outstanding that prevent immediate allowance of the

case, Applicant invites the Examiner to telephone the undersigned to expedite resolution of such issues.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Todd M. Oberdick", is written over a horizontal line.
